

ENVIRONMENTAL POLICY

Salts Healthcare Ltd recognise that their activities can impact upon the Environment. This Policy and associated environmental system provides the framework for the setting and achievement of our environmental objectives.

- We **PROMISE** to continually improve our environmental management system to enhance our environmental performance.
- We **PROMISE** to be committed to the protection of the environment, including prevention of pollution and other issues relevant to our company's environmental aspects.
- We **PROMISE** to be committed to fulfilling our compliance obligations and maintaining compliance with all relevant Environmental Legislation.
- We **PROMISE** to communicate our policy to all persons working for or on behalf of our organisation and it is made available to the interested parties via the company's website.
